CALL FOR PERFORMER

We are looking for a performer for our next film! *Flirrende Körper, schwitzendes Licht* (working title) is a pornographic neo-noir short film about the cat-and-mouse game of a private eye and a femme fatale in the pulsating summer heat of Hamburg. We are happy to announce that **Jasko Fide** has already been cast as a performer for the role of the private eye, and we are now looking for her partner. You can find more about the film idea in the attached project folder.

The role of the femme fatale

An elderly woman of great elegance and determination. She wears a hat and shades, so mysterious, almost dressed up, as if she wants to attract attention. She seems to stroll aimlessly through the city. Is she roaming her neighborhood? Wherever she goes, she is recognized. It's almost as if a trellis forms around her path. She seems relaxed and powerful at the same time, the way her boots clack on the asphalt, her slim, long cigarette smolders. When she notices a young woman spying on her with a digital camera, her interest is aroused. She quickly understands the game, the chase, the nonverbal conversation, and knows how to use it to entertain herself.

The characters in our film flirt with the role clichés of the lonely, clever detective and the dangerously erotic femme fatale, approaching them without affirming them. They contrast the traditional role models and reinvent the characters in a queer-feminist, emancipatory way. We are looking forward to applications of all genders, orientations, nationalities and looks - most important to us are the desire for the role of the femme fatale and shared values! With *feuer.zeug* we advocate a realistic and equal representation of different sexualities. We direct the sex scenes together with our performers, everything is created in mutual consultation and in the end you decide what you share with us and the camera! Before the shooting there will be concept meetings with the team to get to know each other and to exchange ideas.
